

HOTEL DE LA MER
FENG SHUI
TEL-AVIV

Hotel De La Mer Tel Aviv,
On the outside - a restored historic Bauhaus building.
On the inside - all-new design following the principles of Feng Shui ("wind and water"), a Chinese discipline dating back thousands of years, that aims to achieve harmony and balance by means of the correct use and positioning of space and objects to inspire a pleasing atmosphere. An intimate, calm and harmonious ambience combined with professional, personal service, maximizing the options available to guests round the clock. The ideal hospitality experience, from environmental and visual design through the comfort and accessories provided in every room to the best and most efficient service.

We will be happy to add your name to our list of honored guests!
